

# MOUNTING BOX EBA

MOUNTING BOX WITH EASY BATTERY ACCESS

## PRODUCT

[Go to the product page](#)

## DESCRIPTION

BEA's **MOUNTING BOX EBA** is a surface mount push plate box that allows for easy battery access in wireless applications, reducing maintenance time for transmitter battery replacement.

The **MOUNTING BOX EBA** is compatible with all BEA 4.75 inch square push plates and accessories. In addition, it accommodates any BEA wireless battery-powered transmitter.

## Unique Two-Piece Design

- Ensures easy installation
- Allows for quick battery replacement compared to standard mounting boxes
- Eliminates the need to disassemble the push plate from the back
- Improves wireless transmitter accessibility compared to small change-out compartments.

## Convenient Access

Locking screw secures box to mounting plate

## Compatibility

Designed for BEA's most popular push plate design

## INSTALLATION

Unscrew Locking Screw

Slide Box Upward

Battery Replacements

Secure Locking Screw
